Pouilly Fumé
Cuvée Prestige

This Cuvée Prestige is a blending of three parcels of old vines (fourty five years old). Each parcel is located in a typical "terroir" of the Pouilly Fumé appellation : kimmeridgian Marls, Limestone and Flint. This Cuvée has been aged on fine lees, increasing the aromatic potential.

This wine expresses a nice minerality with iodine flavors and a pleasant freshness. The tasting reveals aromas of white fruits (pear), white flowers and citrus fruits.
